

Supplying Materials for EmailExpress Ads created by ASI

- Copy to use in the ad
- Images (TIFF, gif or Jpeg, compatible with Adobe Photoshop CS5).
- A link for your ad. If you would like to include a video, provide a link for that also

Please check the logos on your ad and make sure you have approval for any logos found on the list. The list of restricted logos can be found at <http://asicentral.com/unauthorizedlogos>

Sending files:

Please zip your ad and link and upload to www.asicentral.com/imageupload. All components MUST be zipped together into one file.

If you have any questions, please contact your ad coordinator.
