

## STEER THE CONVERSATION TOWARD YOUR BRAND

## Chat, sell and connect with distributors on a whole new level.

ESP® Chat lets you create, brand and control a chat room to speak directly with distributors shopping in ESP. Choose a group chat setting or a one-on-one to talk shop with prospects and clients. With ESP Chat, you can answer questions from distributors in real time, as well as reinforce brand recognition by customizing your chat with your brand colors and logo. You can also increase chances for sales, see credit information instantly by hovering over a distributors name in the chat box and access reports including: unique visitors, banner views, products clicked and more.

## Pricing starts at just \$49 per month.
