

REACH 60,000+  
DISTRIBUTORS

## Email marketing still resonates with audiences like no other media.

EmailExpress™ is the affordable way to create a direct line of contact between you and distributors. It's so much more than a simple email service – it's a comprehensive program providing in-depth ROI reports on delivery, clicks, forwards and buyer-friendly requests. We can even link your email directly to your product listings on the ESP® database for added product exposure.

Only \$599, and targeted lists are available.
