

NEVER MISS  
OUT ON A  
SEARCH AGAIN

Increase your chances of appearing more often on ESP search results pages.

Provide us with an opportunity to review your **Search Engine Optimization (SEO)** strategy and we will analyze what may be holding your products back in ESP®. With our SEO program, we identify keywords and phrases that pertain to your products and insert them into your ESP listings, so you can be discovered more easily by clients searching for products like yours. Our optimization strategy is built with distributors in mind, starting with how they search on the tool. Additionally, we'll provide you with MediaStat (ROI) reports to track your SEO progress.

Pricing is based on number of products and starts at \$1,295.
