SHOW ESP  
DISTRIBUTORS THAT  
YOU'RE A *TOP SELLER*

## Position your products front and center for distributors.

The product-exclusive ESP® **Top Sellers** ad spot maximizes your digital presence in the industry's #1 sourcing tool. Featured on the prime real estate of ESP's home page, **Top Sellers** will advertise the category you reserve with a product image and your supplier name. When a distributor clicks on this category, they will be directed to your product listing within this category. Make a big impression before distributors even begin their search, and position your products as in-demand items within a certain category.

Only \$1,200 per month.
